

# Community Outreach Committee

The Community Outreach Committee at Grey Bruce Makers plays a vital role in fostering connections and partnerships within the local community. This committee is dedicated to reaching out to various organisations, community groups, and individuals to create collaborative opportunities and promote the mission Grey Bruce Makers.

## Roles and Responsibilities:

1. Participate in programs with established partnerships with local organisations, and community-based entities.
2. Actively participate in community events that Grey Bruce Maker are involved with
3. Develop and share outreach strategies to engage diverse communities and underrepresented groups with GBM executives/employees.
4. Assist with community-focused initiatives, such as workshops, exhibitions, and open houses, to provide opportunities for community members to experience and participate in craft-related activities.
5. Collaborate with other committees to integrate community outreach efforts into programming and events.
6. Act as ambassadors for Grey Bruce Makers, advocating for its mission and values within the community.

## Expectations:

1. Attend regular committee meetings and actively contribute to discussions and planning.
2. Dedicate time and effort to establish and maintain relationships within the community.
3. Share information about community needs, trends, and events that align with the goals of Grey Bruce Makers.
4. Act professionally and represent Grey Bruce Makers positively during community engagements.
5. Collaborate effectively with other committees and staff members to ensure cohesive and integrated outreach efforts.
6. Demonstrate a commitment to inclusivity and diversity, striving to make Grey Bruce Makers accessible and welcoming to all members of the community.

The Community Outreach Committee plays a pivotal role in creating a strong bond between Grey Bruce Makers and the broader community. By actively engaging with community members, the committee helps to build awareness, foster collaboration, and make a positive impact through craft-based initiatives and events.
